April 2020
CEDAR VALLEY LAKES TRAIL IS CLOSED HELP OPEN IT!

The Cedar Valley Lakes Trail through George Wyth Park has been closed since the summer of 2019 and the Cedar Trails Partnership is stepping in to help raise funds for repairs.

An estimated $500,000 is needed to replace a 1.5 mile stretch that is severely damaged due to multiple floods.

The Cedar Trails Partnership will match contributions of up to $20,000. Simply send a donation with your membership using the form on the back of this panel or online at CedarTrailsPartnership.org/join-donate.

ARE YOU A

Paved trail user, whether on foot or on bike?
More than 106 miles of paved trails connect communities in the Cedar Valley, and vary between urban, prairie, and likeside scenery.

Or a water trail user?
Try the Paddlers Trail, a 10-mile water and portage trail connecting the lakes of George Wyth State Park, the Hartman Reserve Nature Center and the Cedar River. More water trails are in the planning stages.

Do you prefer an off-road adventure?
Soft trails are perfect for a workout on your mountain bike or your favorite hiking shoes. Marked with rudimentary signs, they serve as the gateway to hidden, picturesque routes throughout Black Hawk County.

As a community, we've invested in grooming equipment to keep many sections of our trails usable and fun during the winter.
